The Payteck Smart Box.™

EMS™ PayTeck exclusive NEW emergency start system will work anywhere, anytime, in or out of the territory. NO extra items needed, in this new "SMART BOX"™ design. EMS™ PayTeck innovative collection solution for financing the credit challenged consumer.

WEBTECK PLUS

Make sure you compare PayTeck products to the competition before you make a final purchase decision. Ask if they offer all, or even most of, the standard features found in PayTeck products. Then decide.

Go ahead. Take the challenge. You will find that WebTeckPlus is the most complete product with better coverage at a better price.

CALL AND YOU WILL SEE.

WebTeckPlus PT6000+ Starter Interrupt Dealer Check List

- ✓ **Value**—PayTeck products are 100% designed, built and manufactured by PayTeck. This makes it possible to control all aspects of distribution and ultimately **YOUR COST**. PayTeck offers the **BEST VALUE** in the industry.
- ✓ **Quality**—PayTeck products are of the highest quality possible. These products are assembled in the USA in two separate facilities that meet ISO 9000 quality standards. When our customers call and have a question about our products, we don't have to call someone else offshore or across the world to get an answer. **WE HAVE THE ANSWERS** and the right solution with WebTeckPlus.
- ✓ **Security**—How secure is the system you are using? WebTeckPlus from day one has never experienced a shut down of operation. That's because we believe you the dealer need 100% access to your customers 24/7—**NO EXCEPTIONS**.
- ✓ **Results**—We provide you with your results every time you login to our WebSite, and we provide you with a **BENCHMARK COMPARISON** of how you compare to all other Webteck Plus users all over North America.
- ✓ **Service Coverage Areas**—Best coverage in the USA—we will even **PROVE IT** and provide you with a map of our coverage.
- ✓ **In Building Coverage**—All the fancy and expensive GPS systems will not locate a Boeing 747 if it's parked inside a building—WebTeckPlus **WILL FIND IT AND SHUT IT DOWN** in or out of a building.
- ✓ **Find the Customer**—WebteckPlus will locate your customer at home **99% OF THE TIME** as compared to GPS systems that require the vehicle to not be parked in a garage or building of any type.
- ✓ **WebTeckPlus University**—WebTeckPlus provides a Training Manual on the WebSite for all users that covers all aspects of operation. This is available 24/7 and updated with all changes. **TRAIN AT YOUR CONVENIENCE**, not the sales rep's.
- ✓ **Report and Logs**—WebTeckPlus provides you with logs, reports, everything you need to run your business. We even make it possible to send to you an E mail with **DAILY RESULTS** when you are on vacation.
- ✓ **More Reasons**—Product re-use; **REMOTE DISABLE/ENABLE**; no expensive software; warning signals prior to payment can be set to auto pilot; **NO CODE FATIGUE**.
